Established 2023

Capability Statement

Industrial polymer sourcing, recycled resin, near-prime stocklots

What We Supply

- Commodity grade: LDPE, HDPE, LLDPE, PP, PET, PS, PVC
- Engineering grade: ABS, PC, PC/ABS, PA6 / PA66, POM, PMMA, PBT, TPE / TPU
- nearPRIME™: curated recycled and near-prime material with tighter lot discipline
- Forms: regrind, repro pellet, flakes, roll scrap, bales, lumps, gaylords and bags

Buyer Support

- Source-to-spec RFQ based on MFI, density, color, application and monthly volume
- Material photos, sample pathway and batch documents where available
- Incoterms: EXW, FOB, CFR and CIF depending on lot and route
- Export documentation: commercial invoice, packing list, bill of lading and available COA

Core End Markets

- Packaging & film
- Automotive & mobility
- Footwear & flexible goods
- Consumer goods
- Construction & pipe
- Electrical & electronics
- Compounding & recycling
- Industrial export buyers

Photos shown are material/facility references. Availability, quantities and lot specifications are confirmed per offer.
